INCREDIBLE DEALS MOTOR INTO ATLANTIC CITY BOAT SHOW Region's Largest In-Water Power Boat Show Powers Up September 6-9

Atlantic City, N.J. -- Boaters fishing for the best deal on the hottest, never-before-seen sport and motor yachts, sport fishing yachts, runabouts, walk-arounds, center consoles and performance boats will see them all at the Atlantic City In-Water Boat Show. More than 700 boats, 16-75 feet in length, will be ready to step aboard – at the region's biggest show and the nation's first of the fall season. It's all at Farley State Marina, adjacent to Trump Marina Hotel Casino, September 6-9.

The show runs Thursday and Friday, 11 a.m. to 7 p.m.; Saturday, 10 a.m. to 7 p.m.; and Sunday, 10 a.m. to 6 p.m. Admission – \$20 for adults, \$5 for children under 12 – includes a one-year subscription to one of the following: Yachting, Motor Boating or SaltWater Sportsman magazine (a \$10 value). Ticket purchases are available online at www.acinwaterboatshow.com.

All of the biggest names will be at the show: Beneteau, Cabo, Carver, Chaparral, Cruisers, Formula, Fountain, Grady-White, Ocean Yachts, Sea Ray, Silverton, Viking Yachts and Sports Cruisers, Wellcraft and many more.

The largest boat is the world-capable 75 Moloka'i Strait. Also making news this year are the fishing boats. Innovations abound, and many exhibitors will be previewing lines breaking new ground in performance.

Back again will be SeaQuest's popular boat building for kids five years old through high school age. Even those with special needs can be part of the fun – learning how to build a 10-foot-long skiff.

While checking the latest styles and trends, boating enthusiasts will want to refuel at the Hooters food court; shop at the Marine Accessory Mart with cutting-edge marine equipment, accessories, supplies and technology; and check out the display of Hummer, the official vehicle of the Atlantic City In-Water Power Boat Show. A new feature on Friday at noon will be the U.S. Post Office's special presentation of the newly released recreational boating stamps.

The Atlantic City show is second only to Fort Lauderdale as the largest U.S. in-water power boat show and is a member of the prestigious International Federation of Boat Show Organizers.
